(a) Notice. – The State Board of Community Colleges is responsible for assuring that boards of trustees of the community colleges comply with applicable State laws, rules, and sound fiscal and management practices, as defined in State Board policy. In addition to any actions taken by the State Board under G.S. 115D-6(3), if the State Board finds that a board of trustees of a community college has willfully, or as a result of gross negligence, failed to or refused to comply with applicable State laws, rules, and sound fiscal and management practices, the State Board may issue a written notice to the board of trustees of its findings and direct the board of trustees to take remedial action immediately to address those findings upon receipt of the notice. If the State Board finds the college needs assistance with taking remedial action, the State Board may also appoint an advisory committee to provide support and recommendations to the college. At a minimum, the advisory committee shall consist of representatives of the State Board of Community Colleges, the North Carolina Association of Community College Trustees, the North Carolina Association of Community College Presidents, and the System Office, and each party shall appoint its representative to the advisory committee.

The respective appointing authorities shall appoint trustees to fulfill the vacated terms and shall not appoint members whose terms were vacated pursuant to this section. Prior to adopting either resolution, the State Board shall consult with the appointing authorities of the board of trustees and representatives of the North Carolina Association of Community College Trustees and the North Carolina Association of Community College Presidents regarding the proposed resolution. The State Board shall only exercise this authority as an extraordinary remedy utilized in the most extreme circumstances and after all of the following remediation actions have been taken without correction of the identified problems:

- (2) The advisory committee appointed consistent with subsection (a) of this section has met with the President of the college and the local board of trustees to discuss the problems in question and to assist the community college in question to resolve them.

- (4) The State Board has issued a final warning providing the college with a deadline to resolve the identified problems.
